Remembering those who served

Since the formation of the United States of America, men and women have been sacrificing their lives for the betterment of their country. These unselfish acts have been documented and remembered with many memorable symbols, such as the soldiers raising the flag at Iwo Jima.

The City of Winnebago is following this tradition of symbolism by honoring the men and women past, present, and future who have been willing to make the ultimate sacrifice for "We the People". Since 1776, when the United States made our Declaration of Independence, there have been approximately 48 million Americans who have served in the military.

The Winnebago Veterans Memorial will serve as a place of reflection for those who have served, as well as a reminder of the sacrifices made for our freedom. We are still in the planning stages but would encourage you to complete the donation form. Preliminary plans include a sidewalk, flag display, and a monument to include veterans names. You can direct questions to any committee member Jerry Johannsen 893-3235, Jerome Behnke 893-4776, LeAnn Eastman 893-3835, Ed Kellen 893-4198, Karen Hernandez 525-3596, and Joyce Eastvold 893-4754 or contact City Hall at 893-4774.
